— Can your community read as many stories as Scheherazade told? Each community that reads 1,000 books this month gets a reward!

***GUESSING GENIE***

— Weekly guessing contest—answer the question correctly for a chance to win. Two students per community win a FREE BOOK each week!

***Grant a book wish for a soldier!*** All month long, YOU can be the genie that makes wishes come true! Throughout February, we will be collecting new and gently used books for Operation Paperback. Money collected through **Blues for Books** (see below) will be used to ship the books overseas and make the soldiers' wishes come true.

***Blues for Books*** — Students pay \$1 for the privilege of wearing blue jeans to school.
