Adventure & Fieldwork discussion–Amber met with adventure coordinators. In discussions it was brought to our attention that there are a lot of different views within fieldwork and expeditions. Damon discussed some frustrations–every about 2-3 years he is asked to "fix" the adventure program. He puts his trust in teachers to know what fits within their subject. Are we still within the realms of EL? Looking more for direction. Who are we as a school? Suggested training parents who we are and what we expect as far as expeditions. We don't have a version of EL to know what the expectations are.

Michelle discussed possibly the need to put the fieldwork section from the fieldwork policy in our family handbook into our registration.

Fieldwork: Ms. Glenna had us experience what it takes to plan a fieldwork.

Dorothy stated that the answer falls within training the teachers and parents.

Discussed genius hour pros and cons. It is a shift in adventure learning.

Glenna—we need to stick to Raunburger's expeditionary learning.

Roots 'n Wings—2-3 teachers that want to participate. Work on a new parent orientation.

Damon wants to know what research he needs to bring back to the board. Amber suggested the number of students who stay at Promontory K-8<sup>th</sup> grade.

Michelle wants to bring this topic back to the Spring retreat in April/May.

Damon wants an answer on the tent policy sooner than Spring. He wants some direction.

#### Maintenance of Effort Policy

#### Introduction

Most federal education statutes require that states and school districts maintain state and/or local funding effort from year to year. State and local education agencies have to demonstrate, prior to receiving any federal education dollars, that they 'maintained effort' with state and local resources. These "maintenance of effort" (MOE) provisions are intended to ensure education funding is cut as little as possible in tough economic times and that federal funding does not take the place of other money that should be coming from state and local resources.

#### Title I Maintenance of Effort

Under ESEA section 8521(a), Promontory School of Expeditionary Learning, before receiving any Title I funding, must show that the combined fiscal effort from state and local funds per student, or the aggregate expenditures of the school for the preceding year, is not less than 90 percent of the combined fiscal effort aggregate expenditures for the second preceding fiscal year. Financial data will be reviewed at the close of each fiscal year to ensure compliance.

#### **IDEA Maintenance of Effort**

Under 34 CFR § 300.203, Promontory School of Expeditionary Learning must determine that the budget for the education of children with disabilities is at least the same amount, from at least one of the following sources, as the school spent for that purpose from the same source for the most recent fiscal year:

- Local funds only;
- The combination of state and local funds
- Local funds only on a per capita basis; or
- The combination of state and local funds on a per capita basis.

Budgets will be reviewed annually during the application for IDEA funds to ensure the required level of expenditures is maintained.

#### FMLA & Maternity/Paternity Leave

Promontory School shall adhere to the requirements as set forth in the US Family Medical Leave Act (FMLA).

An eligible employee, or an eligible employee's designee, may request in writing an unpaid leave of absence of up to 12 calendar weeks during a 12 month period. Leave shall be calculated using the rolling year method. Actual allowable hours of leave shall be based on average daily hours in employment agreement. Actual used hours shall be calculated based on scheduled work hours in the school calendar. During the FMLA period, Promontory School shall continue to pay its portion of applicable benefits and/or premiums. The employee must continue to pay his/her portion of any insurance premiums.

**Salary and Personal Time Off (PTO) Hours**: the employee may elect to use their available PTO hours during the FMLA Leave. Any leave taken beyond the extent of PTO hours shall be unpaid. FMLA leave supported by PTO hours shall be included in the allowable leave period.

**Eligible Employee:** By law, an employee who has worked for Promontory School for at least 1,250 hours in the previous 12 month period is eligible. Hours worked do not include any time off, paid or unpaid.

#### **Eligible Reasons:**

- for the birth and care of the newborn child of an employee\*\*,
  - Leave must conclude within 12 months of the birth;
  - Leave must be in a single block of time;
- for placement with the employee of a child for adoption or foster care\*\*,
  - Leave must conclude within 12 months of the placement;
  - Leave must be in a single block of time;
- \*Employees must provide medical certification within 15 days verifying a serious health condition of the employee, spouse, parent or child if requesting FMLA for this purpose.

If an employee meets all the eligibility requirements above but has not been employed for at least 12 months, the school shall hold the employee's job provided the employee is in good standing. Employees who have had a documented disciplinary event or who are on a plan of improvement are ineligible.

Employees shall be subject to all absence requirements as set forth in the policies and procedures of Promontory School including completion of forms, notice requirements, and providing substitute lesson plans as necessary.

For any additional days on leave (following the FMLA period?) up to 6 weeks, employees will receive salary minus the sub rate plus payroll taxes paid.

An employee must reimburse Promontory School for all monies paid to the employee or benefit premiums paid on behalf of the employee during the FMLA period if the following occurs:

- The employee fails to return to work for 30 calendar days following the FMLA leave, unless failure to return to work is because of a serious health condition certified by a medical doctor or for circumstances beyond the employee's control.
- The employee is terminated for failure to meet agreement requirements within 45 days following the FMLA period.

When returning from maternity/paternity leave within the same school year as the leave, it is the Director's discretion to provide up to 3 additional personal days.

If requesting intermittent leave (must be medically necessary as certified by a healthcare provider), employees must have a leave schedule approved by administration.

#### A. FMLA (Family Medical Leave Act)

- Promontory participates in FMLA which secures the right of employees to take up to 12 weeks off of work unpaid and have their job held for them.
- 2. To qualify for FMLA, the employee or immediate family member would be dealing with a "serious health condition."
- 3. The employee would need to have worked for Promontory for 12 months as a full-time employee prior to the FMLA occurrence.
- 4. FMLA is unpaid leave for 12 weeks. The employee will be required to use personal time as part of the twelve weeks and will be paid for the available personal days.

#### **B. MATERNITY & PATERNITY LEAVE**

- 1. Maternity leave qualifies for FMLA if all other FMLA stipulations are met.
- 2. Employees must use personal days first while on leave. For any additional days on leave up to 6 weeks, employees will receive salary minus the sub rate plus payroll taxes paid. If a long-term sub (more than 15 days) is engaged, the sub may be paid at a higher rate. That additional cost will be deducted from the employee's salary. Example: salary for half a month: \$1,500, sub teaches 11

days (paid \$100 plus \$7.20 taxes for each day) = \$1179.20, you would receive \$320.8.

- 3. When returning from maternity leave within the same school year as the leave, it is the Director's discretion to provide up to 3 additional personal days.
- 4. Paternity leave is 3 days. Personal days will not be deducted.
